

# Paint a Parking Spot

## Design Guidelines

1. Designs must be able to be enjoyed by all, and suitable to be viewed by all age groups.
2. Think of your parking spot design as a t-shirt that you want to wear to school. Your spot should be fun and reflect who you are as a person. Keep it classy!
3. You can only use exterior, water based, latex paints. More details will be made available closer to paint day including what supplies to bring. No oil-based paints allowed. No spray paint, fluorescent paint, or glitter paint. If in doubt, ask the paint department at the store, or email us [novisanp2024@gmail.com](mailto:novisanp2024@gmail.com).
4. No name calling, group bashing, or singling out other students are allowed (including neighboring schools)
5. No drug or alcohol references.
6. No profanity or obscene gestures.
7. No nudity or sexual references.
8. No gang references.
9. No political references or statements.
10. No QR codes, Spotify codes, or other scannable codes are allowed.
11. No double entendre (word or phrase open to two interpretations, one of which is usually risqué or indecent).
12. The reserving student's name is the ONLY name/initials that will be allowed to be painted on the spot. (NO boyfriend/girlfriend/friends).
13. An unpainted border must be maintained in the parking spot. The design cannot come within six (6) inches of the district painted (white or yellow) lines.
14. Design must be approved by the administration BEFORE you start painting. Any artwork depicting items, symbols or language deemed inappropriate by administration will not be permitted.

### Additional Guidance

1. You understand that this is separate from the annual process of registering your vehicle which takes place at HS registration in August.
2. You understand that reserved parking privileges are designed for use during the normal school day, and will not apply to after school events, weekends, etc. Your space may be occupied in these off-times by other students, parents, or visitors.
3. Any Novi High School student that paints a parking spot without permission or vandalizes a senior parking spot will lose their parking privileges.
4. The upkeep of the space is the responsibility of the student. If for some reason the space needs to be repainted (because of graffiti or other reason), the student must speak with their counselor immediately.
5. Prohibited, or unapproved designs will be painted over at the discretion of the HS administration.

6. All students will understand that they are not to park in any painted spot that is not their own during the school day.
7. If any Novi High School student parks in a senior student's assigned parking spot:
  - a. 1st offense, student will receive a warning, student will be asked to move car immediately.
  - b. 2nd offense, student will receive a disciplinary consequence and will be asked to move car immediately.
  - c. 3rd offense, student's car will lose their parking privileges on Novi HS campus for the remainder of the year.
8. If a student arrives at school and finds another vehicle parked in their reserved painted space, the student needs to:
  - a. Park in an available (non-painted) parking space (not another painted space) and bring the information below to the main office. Do not make this a reason to be late to class!
  - b. Take a picture of the car, license plate number, and Novi HS parking tag number to the front administration office.
